

#CHUMapper

Map out the key traits of your primary restorative program participants. Keep this document confidential.

Primary Participant ID# or Initials _____

Participants' Traits	In the below tiles, reflect on and write down some of the key dynamics and traits of your participants. If you don't know a particular detail, just leave it blank - but still consider how it <i>could influence your process.</i>
Nature of Their Concerns	
Ages	
Genders	
Races/Ethnicities	
Personalities and Temperaments	
Family Lives	
Other Key Traits #1 _____	
Other Key Traits #2 _____	

Which traits from above are the most important? How might they impact the process? Write any notes below.
